

## Why Small Groups?

Good question. In a large church, Small Groups provide a unique environment to practice biblical community, to grow as disciples of Christ, and to reach out together with the gospel.

CJ Mahaney answers the question like this...

*By His grace, together we are being changed into the image of Jesus Christ. Together we are experiencing mutual care, genuine fellowship, a gospel-centered focus and the ministry of the Holy Spirit. We no longer simply attend - we participate. We no longer selfishly consume - instead we are carrying out God's purpose for our lives as we contribute to the building of the local church.*

Come join a Small Group, as we seek to grow together in Christ!

*"In Christ we who are many form one body, and each member belongs to all the others."*

Romans 12:5 NIV

## JOHN

### BIBLE STUDIES

Several Small Groups will study the Gospel of John alongside Pastor Jeramie's preaching of it. We will use two guides in our study...

*John* by the Navigators (Life Change Series)

*The Message of John* by Bruce Milne

Look for these at our book table!
